## Verse 2

Thought I was alive in the world but I know this

sin leads to death and it has many ways

The path is stumbled on the darkness

beware for false teachers who can lead you astray

The Bible is the truth don't forget this, lest ye be led astray and be lead away

If you love and obey you're a witness

live by the Father's Spirit and remember He's first

## (Repeat Chorus)

## Verse 3

You create breath and beat death Lord I praise thee

no Name in Heaven and earth is as great as your Name

You're powerful, yet You show mercy

You're slow to anger and You save from the flame

The truth is in You Lord you delight me

I'm free when I'm near Lord I soar in your love

My bonds shatter Lord, You matter I need thee

# After All Is Said and Done

I need you more than air and water from above

**(Repeat Chorus)**

**Verse 4**

After all is said and done then judgment  
God will separate-the sheep from the goats  
A believer's gotta stand up and bust this  
it's like Noah's ark you got to get on the boat  
The only ride, you just can't miss, the fare is the same whether rich or poor  
Jesus took it to the cross as payment  
the Son of God thinks your life is worth dying for

**(Repeat chorus to end)**
