

# ***Everything I Do***

**D**  
With every breath I breathe

**A**  
I'll love You even more

**Bm**  
in every step I take

**A**                      **A7**  
don't ever shut the door

**G**  
You're the Lord of my life

**D**                                      **Bm**  
I want to praise You more

**Em**                      **A7**  
so everything I do

**G**                      **D**  
I will do it unto You

**D**                      **Bm**  
I will sing, I will pray

**G**                                      **A**  
I will give You the glory

**D--A**  
forevermore

**D**                                      **Bm**  
I will share, who You are

**G**                      **A**                      **D**  
so everything I do it's unto You
