

# Song of Love

Linda Dempsey, copyright 1998. SpiritSongs Ministries

**C** **G**  
My anger seems to be so long  
**Am** **Cmaj7**  
But even it has boundaries  
**Am** **C** **G**  
My mercy and compassion go on and on  
**C** **G**  
Every moment spent with you  
**Am** **Cmaj7**  
is what I hold and cherish  
**Am** **C** **F--G**  
It was for you I gave my only Son  
**Am** **F** **G** **C--C7**  
So you could come and spend some time with Me

Chorus:

**F G C F G C**  
This is My song of love, My song of love  
**Am C**  
I am waiting patiently  
**Am C G**  
For moments you would spend with Me  
**F G C F G Am**  
This is My song of love, My song of love  
**F G C**  
For you who'll spend eternity with Me

Come and hear the angels' song  
Open the ears of your heart  
All of Heaven longs for you to come  
Let My Spirit live in you  
Guide you daily, bring you close  
Prepare to come away with Me  
My chosen one, My chosen one
