

Mighty River

Linda Dempsey, copyright 1999. SpiritSongs Ministries

I hear a river
A rushing, mighty river flow
I hear a river
A rushing mighty river flow
I hear a river flowing down

It's flowing on the people of God
Flowing from the Throne of the Lamb
It's bringing restoration and healing
Look up and see a mighty God!

Look up! The river of God is flowing
Look up! The power of God is here
Look up! The Spirit of God is among us
And He's pouring on us now!
