No holding back, no holding back  
I've come to worship the Lord, no holding back  
No holding back, no holding back  
I've come to worship the Lord, no holding back

I'm gonna praise His Name, I'm gonna praise His Name  
I've come to worship the Lord, and praise His Name  
I'm gonna praise His Name, I'm gonna praise His Name  
I've come to worship the Lord, and praise His Name

I'm gonna shout and sing, I'm gonna shout and sing  
I've come to worship the Lord, and shout and sing  
I'm gonna shout and sing, I'm gonna shout and sing  
I've come to worship the Lord, and shout and sing

See His Glory fall, see His Glory fall  
I've come to worship the Lord, and see His Glory fall  
See His Glory fall, see His Glory fall  
I've come to worship the Lord, and see His Glory fall
