

# Your Love

Linda Dempsey, copyright 1997. SpiritSongs Ministries

Your love is like the earth  
It reaches so wide  
Your love is like the sky  
It reaches so high  
Your love is like the sea  
It reaches so deep  
Your love is crystal pure  
Reaching to me

## **Chorus:**

Higher than the mountains  
Flowing like a stream  
Coming from Heaven  
Poured out on me  
Deeper than the ocean  
You showed at Calvary  
Your love is crystal pure  
Reaching to me
