

We Worship You

We worship You, we worship You
In the Glory of Your Presence
Angels gathered 'round Your Throne
We worship You
We're not a-lone in our praise
We join with millions who seek Your Face
With our voices we will sing
"Hallelujah to the King!"
We worship You

We bless Your Name, We bless Your Name
In the Glory of Your Presence
Angels gathered 'round Your Throne
We bless Your Name
We're not alone in our praise
We join with millions who seek Your Face
With our voices we will sing
"Hallelujah to the King!"
We bless Your Name
