

# The Spirit of the Lord

Linda Dempsey-lyrics, Brent Hammond-music copyright 1998. SpiritSongs Ministries

The Spirit of the Lord is falling on us now  
The Spirit of the Lord is falling all around  
All around

His eyes were flames of fire  
And on His head were many crowns  
Many crowns

End:

The Spirit of the Lord is raining on us now  
The Spirit of the Lord is raining all around  
All around
