

Song of Love

Linda Dempsey, copyright 1998. SpiritSongs Ministries

Verse 1:

My anger seems to be so long
But even it has boundaries
My mercy and compassion go on and on
Every moment spent with you
is what I hold and cherish
It was for you I gave my only Son
So you could come and spend some time with Me

Chorus:

This is My song of love, My song of love
I am waiting patiently
For moments you would spend with Me
This is My song of love, My song of love
For you who'll spend eternity with Me

Verse 2:

Come and hear the angels' song
Open the ears of your heart
All of Heaven longs for you to come
Let My Spirit live in you
Guide you daily, bring you close
Prepare to come away with Me
My chosen one, My chosen one
