

Hallelujah! There's A Sound

Jim Dempsey, copyright 1985. SpiritSongs Ministries

*Hallelujah, there's a sound something big is goin' down
I hear a marching in the tops of the trees
It's the footsteps of the Lord goin' forth with His sword
He's destroying His people's enemies*

Chorus:

*Don't you hear Him marching now
Can't you feel the mighty power
Of our Savior, as He marches forth for you
He's the Captain of the Lord's Host
With the power of the Holy Ghost
And you and I are in His army too!*
