

Only Things That Look Like You

Jim Dempsey, copyright 1999. SpiritSongs Ministries

Lord, I want to be less and less like me
So Your holy image can show through
Losing every part that doesn't fit Your heart
Leaving only things that look like You

Chorus:

By Your blood, (echo) cleanse me
By Your Word, (echo) change me
With Your Spirit, fill me
So Your holy image can show through
Leaving only things that look like You

Lord I want to see less and less of me
So that all that I can see is You
Take away the stuff 'cause I'm not dead enough
And leave me only things that look like You
