

I Wanna Be There

Linda Dempsey, copyright 2005, SpiritSongs Ministries . CCLI song #4500649

Verse 1

I wanna be there when He rides on a white horse
And thunder calls His Name in the air
I wanna be there when He rides in victorious
And angels beckon us into the air

Verse 2

I wanna be there when the crowns fall before Him
And all mankind adores Christ as Lord
I wanna be there to bow my knees before Him
And worship and adore my Savior

Chorus

You see I'm lookin' for a city where man has never been
Where sun and moon have no need to shine
For the perfect Lamb, the perfect Son
He is the light of that city
And praises will rise up forevermore!

Verse 3

I wanna be there when He's seated victorious
The Lamb of all the ages on His Throne
I wanna be there when the saints march victorious
God's fam'ly, all at last, lives as one

Verse 4

I wanna be there when the crowns fall before Him
And all mankind adores Christ as Lord
I wanna be there to bow my knees before Him
And worship and adore my Savior *(to chorus)*

Ending

I wanna be there when He rides on a white horse
And thunder calls His Name in the air
I wanna be there when He rides in victorious
And angels beckon us into the air
I wanna be there, I wanna be there, Oh, I wanna be there
I wanna be there, I wanna be there, Oh, I wanna be there
Do you wanna be there? Do you wanna be there?
Oh, I wanna be there, I wanna be there, Oh, I wanna be there
