

Never

Linda Dempsey, copyright 2005 SpiritSongs Ministries. CCLI song #4500539

If I stood on a mountaintop high above
and looked on the world to proclaim Your love
If I used all the water that's in the seas
to poetically pen Your love for me
If I used every breath, my heart and soul
to show my gratitude for Your love
Every word, every tongue,
would it ever be enough?
No,never . . . no,never

Chorus

If I were covered by the deepest ocean
or carried on the highest wind
Your love would always meet me anywhere
Will You ever leave my side?
Will I ever walk alone?
Could anything separate me from Your love?
No,never . . . No,never

Verse 2

Could You ever deny
the Word that You gave,
Each promise that's written
on every page?

Would I ever turn my back on You
and walk away from Your love so true?
If I used every breath, my heart and soul
to show my gratitude for Your love
Every word, every tongue,
would it ever be enough?
No, never. . . No, never

Chorus

If I were covered by the deepest ocean
or carried on the highest wind
Your love would always meet me anywhere
Will You ever leave my side?
Will I ever walk alone?
Could anything separate me from Your love?
No, never . . . No, never

Ending:

If I stumbled and fell back into to sin
Would You open Your arms
and take me in?
Oh, Oh, . . . forever Oh, Oh, . . .
forever, forever, forever, forever
