Linda Dempsey, copyright 2005 SpiritSongs Ministries . CCLI song #4500096

Verse 1

Little hands, little feet . . . never will this moment come again
Little eyes, little smile . . . never will this moment come again
Kiss from Mom, kiss from Dad . . . never will this moment come again
Memories are all around . . . never will this moment come again

First Chorus:

Lord, they are my family; tonight, oh I pray that You would be the Lord of our lives
Lord, they are my family; tonight, oh I pray that You would be the Lord of our lives . . .

Verse 2

People come, then they go . . . never will this moment come again
First their born, then they die . . . never will this moment come again
World goes 'round, spinning 'round . . . never will this moment come again
Prayers are heard all around . . . 'cause never will this moment come again

Second Chorus:

Lord, they're all my family tonight; and I pray that you would be the Lord of their lives
Lord, they're all my family tonight; and I pray that you would be the Lord of their lives

Verse 3

Nameless faces come and go . . . never will this moment come again
First they're born, then they die . . . we must reach them all before their time
Kiss from God, take my hand . . . never will this moment come again
I will lead, just hold my hand . . . never will this moment come again
Never will this moment come again
